Memorandum - El Dorado County Library

Date: November 6, 2006

To: Board of Supervisors

From: Jeanne Amos, Library Director

Subject: State Library Grant for Adult Literacy Services

Recommendation:

Library requests acceptance of the final payment of grant award in the amount of \$12,333 from the State Library for support of adult literacy programs, and authorization for Auditor to sign claim form and budget transfer.

Reason for Recommendation:

The final installment of the Adult Literacy Services grant was approved for \$12,333. We anticipated and budgeted the final installment to be \$10,000, therefore, need to adjust our budget to reflect the \$2,333 additional revenue. These funds are to be used to support adult literacy services and programs.

Fiscal Impact:

The 2006/2007 budget will include a total of \$22,333 in revenue from the state for adult literacy programs. There will be no change in net county cost.

Action to be Taken Following Approval:

- 1. Auditor-Controller to sign certification of claim
- 2. Auditor's Office to process budget transfer

Jeanne Amos, Director El Dorado County Library 345 Fair Lane Placerville, CA 95667-5699

Dear Ms. Amos:

I am pleased to enclose a claim form for the remainder of your library's 2006/2007 California Library Literacy Services funding as determined by the California Library Literacy Services (CLLS) funding formula.

This final payment of your total allocation for the 2006/07 fiscal year is \$12,333, and is based on:

- A *per capita* amount per adult learner served at your library in 2005/06 that reflects the fact that Adult Literacy Services are the heart of our service, and are the basis for all other literacy services.
- A match on local funds raised and expended for adult literacy services at your library in 2005/06 reflecting a
 commitment to a continuing State/Local partnership, and to providing an incentive for increased local support
 for adult literacy.

Earlier this year you received baseline amounts for the 2006/07 fiscal year for your CLLS approved program components. These baselines reflect the importance of each library having enough funds to provide at least a minimum level of local literacy staffing and service.

Below is a re-cap of your total CLLS funding for the 2006/07 program year:

Baselines:

Adult Literacy Service - \$10,000

Subtotal baselines: \$10,000 (amount previously claimed)

Final Payment:

(Per Capita & Match) \$12,333 (amount to be claimed now)

GRAND TOTAL FOR 2006/07 \$22,333

Any changes in your funding from last year could be a result of the following factors:

- (1) Baselines a change in the CLLS program components you are offering
- (2) Per Capita an increase or decrease in the number of adult learners you served
- (3) Match an increase or decrease in the amount of local funds expended on adult literacy

We will initiate the payment process upon receipt of your signed Claim Form (attached). This final payment will be processed after all reporting requirements from the prior fiscal year have been received and all adjustments made and unexpended monies returned.

Please mail the signed claim form to: California State Library

Budgets/Local Assistance

P.O. Box 942837

Sacramento, CA 94237-0001

Please revise your literacy budget for fiscal year 2006/07 utilizing the actual total allotment from the State Library as outlined in this award letter. The budget that you submitted with the application in May was based on projections. The revised budget forms should reflect updated information and more accurate figures than you had in May. These forms can be found at http://clls.literacyworks.org/ after November 10 and must be completed by December 15. If you have questions completing these forms email Cindy Tackett at ctackett@library.ca.gov

Since electronic signatures are not available on the website at this time a statement acknowledging the accuracy of the revised budget figures has been added to the claim form for your signature to certify its accuracy. No additional signature document will be needed at this time.

You will be asked to report electronically twice this fiscal year—once in January, and again after the close of the fiscal year. My staff will soon provide more details on this process. All state funds must be expended or encumbered by June 30, 2007.

The following specific issues or observations have been made about your final report on the 2005/06 service year:

- We are concerned that fewer than 75% of your adult learners appear to be participating in the Roles and Goals process. We will look forward to increased participation in your next report. If you have questions about how to implement and/or report on Roles & Goals, please contact Valerie Reinke at vreinke@library.ca.gov or 951-786-0455.
- We encourage you to seek out partners in the community who could help increase your pool of adult participants. Partners such as adult schools and community colleges are often utilized for this purpose.

Should you have additional questions regarding the new funding and/or reporting process, please contact:

Carla Lehn (916) 653-7743 or clehn@library.ca.gov

Jacquie Brinkley (916) 651-0376 or jbrinkley@library.ca.gov

Valerie Reinke (951) 786-0455 or vreinke@library.ca.gov or

Cindy Tackett (916) 653-7172 or ctackett@library.ca.gov

Best wishes in implementing your library literacy services.

Yours truly,

Susan Hildreth.

State Librarian of California
