You are subscribed to updates for Long Range Planning. This information has recently been updated, and is [now available](#).

The County of El Dorado will be holding a workshop to discuss Traffic Level of Service and the County's Travel Demand Model. The workshop will provide an opportunity for the public to ask questions of a panel of County Long Range Planning Staff, Caltrans and other traffic engineers regarding the industry practice of determining Level of Service and how the Travel Demand Model plays a role.

The workshop will be held on the following date and time:

Monday, October 10, 2016
6:30 p.m. – 8:00 p.m.
El Dorado Hills Fire Station 85
1050 Wilson Blvd. El Dorado Hills, CA 95762
