

**RESOLUTION NO. 119-2008
OF THE BOARD OF SUPERVISORS OF THE COUNTY OF EL DORADO**

To Designate the El Dorado Hills Senior Center as
The Ramona "Moni" Gilmore Senior Center

WHEREAS, April 16, 2008 brought word of an incalculable loss for the residents of El Dorado County with the passing of Moni Gilmore, a grand lady and a vital and incredible community advocate; and,

WHEREAS, Moni strived for progress and, since establishing residence in El Dorado Hills after retiring from professional public sector service, pursued active volunteer service, leaving her distinctive mark every step of the way; and,

WHEREAS, Moni served on the El Dorado County Commission on Aging for the past fifteen years, including a two-year term as Chair of the Commission and a three-year term as elected Senior Senator representing El Dorado County in the California Senior Legislature, providing strong leadership and guidance relative to aging issues and advocating on behalf of seniors in El Dorado County and beyond.; and,

WHEREAS, as an active True Rotarian for the past fifteen years, Moni displayed the "Service above Self" belief every day of her life. She was honored a few years ago as the Quiet Rotarian, an award given to one person each year who quietly does a lot of work without seeking recognition, and in March of 2008 was recognized with a very rarely awarded Lifetime Honorary Membership; and,

WHEREAS, perhaps Moni's greatest legacy is her successful effort to establish a permanent Senior Center in El Dorado Hills. Through her work with the Commission on Aging and the El Dorado Hills Fire District she was instrumental in the acquisition of the old El Dorado Hills Fire Station for a dedicated Senior Center and Senior Day Care Center; and,

WHEREAS, Moni rightfully earned the admiration and respect of individuals throughout the community, and while no mere words can adequately describe the profound impact that Moni has

made in our County and while her presence in our lives will be sorely missed, the precedents she set, the projects she initiated and the changes she instituted will live on forever in reality and in our memories, thereby enriching our lives and our community.
