RECEIVED  
BOARD OF SUPERVISORS  
EL DORADO COUNTY  
2008 MAY 19 PM 2:22

I have placed an item on tomorrow's agenda, Item #38, recommending the Board approve the appointment of the five individuals to the Pollock Pines Design Review Committee.

I had opted to allow the former committee members' terms to expire without recommending re-appointment and/or new appointments as we were in the process of adopting the General Plan. **With the General Plan now in place and the implementation of key policies under way, I believe now is the time to make appointments to this committee.**

I respectfully request the Board approve the appointment of the following individuals to the Pollock Pines Design Review Committee:

Charles Ferris  
Carolyn Whalen  
Lauren Wascher  
Tooraj Agahi  
Kevin Brown

Thank you for your consideration.
