These services shall be provided on an as needed basis and must be approved by the SACPA County Referral Team before they can be offered.
7. Treatment plans, progress reports, non-compliance reports, treatment discharges, and other requested reports must be submitted in accordance with the existing SACPA (#622-PHD0607) contract between Progress House, Inc. and the Public Health Department.
8. Ancillary Services: These are supplementary services, available from existing community resources that promote successful rehabilitation of Program participants. 6. The services furnished by the Contractor shall be culturally relevant and physically accessible to Program participants.
7. Contractor shall set fees, determine participant's ability to pay, determine participant's eligibility for any other funding for services; e.g., Drug Medi-Cal, CalWORKs, Veteran's Assistance, Social Security, etc., collect fees from participants, and bill the County only for those costs not recovered. Such notice shall become effective upon the adoption of a final budget which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

In the event the State or federal government reduces, delays, or eliminates funding needed to carry out activities under this Agreement, in the sole discretion of the County this Agreement may be modified or cancelled in its entirety. Notice of intent to modify or cancel the Agreement pursuant to this paragraph shall be in writing and shall be delivered to Contractor as stated in Article XIII. Such notice shall be sent to Contractor not later than three work days from the County's receipt of notification of the funding reduction, delay, or termination. Contractor shall document that costs are reasonable and allowable and directly or indirectly related to the services provided hereunder. The Cost Report shall be the final financial record of services rendered under this Agreement for subsequent audits, if any.

Final Settlement shall be based upon the actual and reimbursable costs for services hereunder, less applicable revenues, not to exceed the Total Not to Exceed Amount of this Agreement as set forth in Article III of this Agreement. Contractor shall not claim expenditures to County which are not reimbursable pursuant to applicable federal, State and County laws, regulations and requirements. If the Cost Report indicates the actual and reimbursable costs of services provided pursuant to this Agreement, less applicable revenues, are lower than the aggregate of monthly provisional payments to Contractor, Contractor shall remit the difference to County. Such reimbursement shall be made, in cash, with the submission of the Cost Report. If such reimbursement is not made by Contractor within forty-five (45) days after submission of the Cost Report, County may, in addition to any other remedies, reduce any amount owed Contractor by an amount not to exceed the reimbursement due County.

The following attestation shall be attached to the Cost Report:
