**Definition of Types of Changes to TIM Fee Program:**

Remove = Projects no longer needed in TIM Fee Program in accordance with deficiency analysis through 2035.

Scope Change = Change from original anticipated improvements in roadway segments (i.e., 4 lanes to 2 lanes, length of required roadway improvement, etc.).

Re-evaluation of costs = Update to cost estimate based on current criteria.

New Segment = Additional roadway segments required as a result of deficiency analysis through 2035.

Study Complete = completion of feasibility study (Alternative Route Study West Valley Condition 27)

Constructed = Projects completed.
