NOTICE OF PUBLIC HEARING

The County of El Dorado Planning Commission will hold a public hearing in the Building C Hearing Room, 2850 Fairlane Court, Placerville, CA 95667 on October 27, 2016, at 8:30 a.m., on the Major Update to the Western Slope Roadway Capital Improvement Program (CIP) and Traffic Impact Mitigation (TIM) Fee Program to receive public comment, prepare recommendations to the Board of Supervisors and make a General Plan consistency finding for the CIP. The CIP is the long-range plan for all individual capital improvement projects and funding sources in the County. It is used as a planning tool and updated periodically, as required by the County's General Plan Policy TC-Xb and Implementation Measure TC-A. The TIM Fee Program is used to fund needed improvements to accommodate travel demand from future land use growth during a 20 year period. The CIP and TIM Fee Program Update require an amendment to the County's General Plan Transportation and Circulation Element as a result of the CIP and TIM Fee Program Update. These changes are proposed in order to ensure that the CIP and TIM Fee Program Update are consistent with the General Plan. The changes include clean-up items, clarifications, and corrections to Figure TC-1 as well as to policies and implementation measures within the Transportation and Circulation Element. The changes to Figure TC-1 include the removal or modification of existing roadway segments and the addition of two new roadway segments. As a result to changes to Figure TC-1, other policies and measures required modification including the removal of Policy TC-1u, Policy TC-1y and Measure TC-V(1) which lifts the employment cap from the El Dorado Hills Business Park. (Contact: Claudia Wade)
