

RESOLUTION NO. 219-2016

OF THE BOARD OF SUPERVISORS OF THE COUNTY OF EL DORADO

WHEREAS, AB 1600 was passed and codified in California Government Code Section 66000 (“Mitigation Fee Act”) allowing the establishment of a development impact fee as a condition of approval where the purpose and use of the fee are identified and a reasonable relationship to the development project can be demonstrated; and

WHEREAS, the County of El Dorado has adopted Ordinance No. 3991, codified in Chapter 13, Section 20 of the El Dorado County Code authorizing the imposition of fire district improvement fees on new development within the unincorporated area of the County in order to fund capital facilities improvements and equipment acquisition for the provision of fire protection services necessitated by new development within a community services district, a fire district or other public entity authorized by law to provide fire protection services; and

WHEREAS, the County of El Dorado, at the request of the Rescue Fire Protection District (“District”), has established fees within the District’s boundaries; and

WHEREAS, the Mitigation Fee Act requires a local agency that has adopted fees in accordance with the Act to make certain findings with respect to the unexpended portion of the account or fund, whether committed or uncommitted, for the fifth fiscal year following the first deposit into the account or fund and every five years thereafter (Cal. Gov. Code 66001(d)); and

WHEREAS, District has prepared and provided the attached report, labeled “Exhibit A”, hereinafter referred to as “Report”, which District has determined provides the required information to support the findings required by the Mitigation Fee Act (Cal. Gov. Code 66001(d)).

WHEREAS, the first deposit of fee revenue into the District account was made in Fiscal Year 1985-86, and these findings pertain to Fiscal Year 2015-16.

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors hereby accepts the Report provided by District and incorporates it by reference herein, and finds that the Report provides sufficient information with regard to the unexpended balance in its Development Impact Mitigation fund or account to support the following findings as required by the Mitigation Fee Act:

- A. The adoption of this resolution is not a “project” for the purposes of the California Environmental Quality Act, because the resolution relates to a financial reporting requirement, and does not authorize or commit the County to a particular project, and is exempt as an ongoing administrative activity or funding activity (Guidelines 15378(b)(2) and (b)(4) or is otherwise exempt under the golden rule.
- B. The purpose to which the fee is to be put has been adequately identified by the District. The purpose of the fee is to fund the cost of expanded fire facilities, apparatus, and equipment necessary to mitigate the impacts of new development, including the cost of administration of the fee revenue. Such uses are functionally equivalent to the use(s) identified at the time the fee was established;
- C. As reflected in the Report, a reasonable relationship exists between the fee and the purpose for which it is charged. New development in the District places additional demand on fire and emergency response services, necessitating additional facilities, equipment, and apparatus, as well as more frequent

replacement of such facilities, equipment, and apparatus in order to maintain the current level of service;

- D. As of the end of FY 2015-2016, the impact fee account (fund 44-660-300) held \$245,000.00. The additional sources of funding anticipated to complete financing in incomplete improvements include ad valorem property taxes, parcel fees, and benefit assessments, the amounts of which are listed in the Report;
- E. As reflected in the Five-Year Capital Improvement Plan on page 13 of the Fire Impact Fee Nexus Study included in the Report, the approximate dates on which the funding necessary to fund incomplete projects will be deposited into the appropriate account or fund have been identified.

PASSED AND ADOPTED by the Board of Supervisors of the County of El Dorado at a regular meeting of said Board, held the 13th day of December, 2016, by the following vote of said Board:

Attest:

James S. Mitrison

Clerk of the Board of Supervisors

By: 

Deputy Clerk

Ayes: Veerkamp, Ranalli, Mikulaco, Frentzen, Novasel

Noes: None
