Supervisors:

In reviewing the Agenda for the Tuesday, December 19, 2014 meeting of the Board of Supervisors I noted that item 19 on the consent calendar is a request by Supervisor Frentzen to extend the review and comment period for the Draft Environmental Impact Report for the Dixon Ranch Residential Project for an additional thirty (30) days.

As the representative of the project proponent, I hereby ask that one of the Board Members request that this item be removed from the consent calendar and heard in the normal course of business. Alternatively, I request that I be given an opportunity to address the item prior to any action on the consent calendar as provided for in the Agenda wherein it discusses Adoption of the Agenda and Approval of the Consent Calendar.

Thank you for your consideration.
