To whom it may concern,

As a resident of Highland Hills, I would like to express my strong opinion against the development of Dixon Ranch. I moved to EDH to enjoy a less populated area with open space and limited traffic. This development will negatively impact all residents of Highland View, Highland Hills, and Sterlingshire. When we moved into these neighborhoods, we only expected traffic on our streets from residents of these neighborhoods. Also, the traffic on the main roads will significantly increase creating a less desirable environment to live in. We need to keep EDH a great place to live with very limited growth.

Please stop the development of Dixon Ranch!!
