AMENDMENT TO THE CHARTER OF THE COUNTY OF ELDORADO

Charter Chapter 210 - County of El Dorado

Amendment to the Charter of the County of El Dorado

(Filed with Secretary of State August 2, 2016)

Section 210 of Article II is amended to read as follows:

210. Power and Duties.

Except as provided for in subsection (c) herein below, The Board of Supervisors shall have all the powers and shall perform all the duties vested in it by the Constitution, general law, and this charter.

~~c. Increases to current benefit assessments on real property, or the imposition of any benefit assessment not previously imposed on real property shall not be effective unless and until approved by a majority of the voters voting in the geographic area in which the assessment will be imposed. A continuation of a previous benefit assessment in the same or lower amount is not covered by this section. This requirement does not apply to special taxes, any assessments imposed by a special district, or any assessments required to pay bonded indebtedness. The voting requirements shall only apply to County benefit assessments on real property, and shall not apply to taxes imposed by any special district. The requirements of this section shall not apply to any increase to any current benefit assessment, nor to the imposition of any new benefit assessment, which is subject to the property owner balloting and majority protest procedures established by Section 4 of Article XIII D of the California Constitution.~~

The above charter amendment is certified and authenticated by Ron Mikulaco, Chairman of the Board of Supervisors, and James Mitrisin, Clerk of the Board of Supervisors.

The above amendment to the El Dorado County Charter was submitted to the County voters at the June 7, 2016 election and was approved by a majority vote of the voters thereon.
