Re: Ronald Newman Trust

Dear Mr. Ashton;

Ronald Newman passed away on November 25, 2015. All of his assets were in a trust, of which I am the successor trustee. According to the terms of the trust, all assets are to pass in six equal shares to the following programs:

El Dorado County Senior Nutrition Program;
El Dorado County YANA Program;
El Dorado County Senior Day Care;
El Dorado County Senior Legal Services;
El Dorado County Family Caregiver Support Program;
Friends of El Dorado County Seniors.

The first five of these programs are administered by the County.

I have liquidated all assets of the trust except for two firearms, which are consigned for sale at Sierra Gun Exchange.

A current accounting of the trust is enclosed.

I propose to transfer to you, as Director of the Health and Human Services Department, the sum of \$160,000, if the Board of Supervisors will give their approval. I will withhold the remainder of the money until any further debts have been paid and the 2016 income tax return has been filed.

Please bring this matter to the attention of the Board and feel free to contact me if you need any

As the founder of the Senior Citizens legal program, I would be extremely grateful if the County will accept this inheritance.

Very truly yours,

George Appelbaum
