	Does "Project" meet an overriding priority/objective?						
	Note: Projects could be ranked differently if CEDAC determines a higher priority should be given to any one objective.						
1.	<p>Identify and <u>promote new Econ Dev opportunities that exist now in General Plan, after the TGPA-ZOU changes.</u> (i.e. Ag support services and Home Occupation.)</p> <p>Add other related topics:</p> <ul style="list-style-type: none"> • Collaborate with LRP • Promote Home based business 		8	YES	YES	YES	YES
2	<p><u>Keep and/or Attract young educated people</u> to our county and retain our home grown ones as they complete their studies or trade apprenticeships.</p> <p>Advocate 4-5 yr college Talk to HS students/classes Entrepreneurial start ups Review results for ED attraction, as appropriate ..</p>	<p>Millennials are the single biggest demographic in American history, bigger than the Baby Boomers. 	PROJECT	DISCUSSION	PRIORITY POINTS Yes =2 Maybe =1 No = 0	Moderate Housing	Job Creation	Sales Tax Capture	Promote Ag or Natural Resource
3	3. Develop program <u>to attract and encourage the development of moderate housing</u> for the Millennial generation of homebuyers.	Economists predict Millennials – those between 20 and 37 years old – will begin buying homes en masse over the next 5 years. The County has limited options to attract these business entrepreneurs and workforce.	5	YES	MAYBE	MAYBE	MAYBE
4	4. Empower this committee with one significant goal (such as attracting the relocation of a large employer) and let it run with that.	Given our size and limited resources, we're better off trying to accomplish one realistic goal rather than contributing a little bit everywhere.	2	NO	YES	NO	NO
5	5. Analyze General Plan 5-year review as it related to ED and non-residential land inventory.	Identify key commercial lands with intention to market to prospective employers.	6	MAYBE	YES	YES	MAYBE
6	6. Promote Home Based Businesses Added to #1	It is critical that these new opportunities be publicized and allowed to grow. A plan needs to be developed to accomplish both of these things....and rapidly.		NO	YES	MAYBE	MAYBE

	PROJECT	DISCUSSION	PRIORITY POINTS Yes =2 Maybe =1 No = 0	Moderate Housing	Job Creation	Sales Tax Capture	Promote Ag or Natural Resource
7	<u>7. Expand “Buy Local” Campaigns</u> <u>COMBINE WITH #11</u>	With Folsom on our doorstep and their overabundance of destination shopping, this will be a difficult obstacle to overcome.		NO	NO	YES	NO
8	<u>8. Develop marketing materials</u> <u>COMBINE WITH #11</u>	Create marketing documents to reflect who we are and what we have to offer as a county which address all four categories suggested by Supervisor Ranalli: Moderate Housing; Job Creation; Sales Tax Capture; and Promotion of Agriculture and Natural Resources.		MAYBE	MAYBE	MAYBE	MAYBE
9	The Home Occupation Ordinance is a good idea. See #1	Expand on that to attract home occupations that will employ more people.		NO	YES	MAYBE	MAYBE
10	<u>Promote Connection One Stop Workforce Development</u>	The more businesses that know they can find support, the better.		NO	YES	MAYBE	NO
11	<u>11. Preserve and expand collaboration with Chambers of Commerce to share</u>	A collaborative relationship with all the	3	NO	MAYBE	MAYBE	MAYBE

	<u>news and recognize [business] needs.</u> <u>Expand “Buy Local” Campaigns</u> <u>Develop marketing materials</u> RE-VISIT FOR DISCUSSION	Chambers can help share news and recognize [business] needs. Working together is always preferable to ignoring one another, or discounting one entity.					
12	12. Develop County-wide calendar of events. —Currently being addressed by EDC Chamber.	This is an aspect of the proposed CEDAC web portal that never came to fruition. Every one of the over a hundred groups we worked with said this was necessary.		NO	NO	MAYBE	YES
13	<u>13. Promote El Dorado County</u>	Partner with Visitors Authority, County Chambers of Commerce, Agricultural Commission, Farm Bureau, Wineries, etc. (Farm to Fork, World Gold Panning Championship, Placerville Brewfest, etc. Promote El Dorado County History by Partnering with the El Dorado County Historical Museum, the El Dorado County Historical Society, the Museums Foundation,	3	NO	MAYBE	MAYBE	MAYBE

		the El Dorado Western Railway Foundation, Clarksville Regional Historical Society, Rescue Historical Society, Gold Bug Park, Gold Discovery Park, etc.)					
14	<u>SUPPORT EFFORTS TO SECURE</u> <u>Attract reliable high speed internet access</u>	The lack of reliable high speed internet access has stunted capital investment in our existing communities and their business parks particularly as you move further east. High speed access will continue to have a dramatic effect on our ability to attract new business while retaining existing businesses to the county.	7	MAYBE	YES	YES	YES
15	<u>Invest in the kind of civic amenities that attract new business and a young creative workforce.</u>	Build a better foundation for economic growth and demographic diversity.	3	NO	NO	MAYBE	YES
16	Develop a Regional description of EDC to <u>attract prospective businesses to relocate or expand</u> to El Dorado County.	Site decision assistance for businesses interested in relocating to EDC. Provide to	3	NO	YES	NO	MAYBE

17	Create some annual event on the El Dorado Trail...like a three day hike/bike/eat/drink that would <u>showcase our wines and food products.</u>	We have interesting things to do here (river rafting, Passport Weekend/wine tasting, El Dorado Trail, Apple Hill) that would appeal to millennials but I think most of it is unknown outside the county	3	NO	MAYBE	MAYBE	MAYBE
18	Participate in CIP/TIM Fee discussion with a focus on TIM Fee impacts on moderate housing.	Prioritize incentives for moderate housing.	3	YES	MAYBE	NO	NO
19	<u>Create and a moderate housing data base (one stop shopping);</u>	Include locations, management company contacts, types of housing, prices and size availability, etc.	2	YES	NO	NO	NO
20	Develop and adopt an Affordable Housing Ordinance as Sacramento County recently did.	Such an ordinance could be drafted to encourage the development of a few areas within the county that would provide an active lifestyle, urban	2	YES	NO	NO	NO

		amenities and good-paying jobs. Urban-style housing within business parks is an interesting idea that has worked elsewhere and might work in the Durock and/or EDH business parks.					
21	<u>Revisit/reinstate the Grant Development Program for non-profit organizations</u>	The company ultimately chosen may have found grants, but some of the most important aspects of what CEDAC envisioned as the most critical needs of a program were not part of what was offered	1	NO	NO	NO	MAYBE
22	<u>Create and maintain an employment/jobs data base and partner with HSSA Connections - One Stop</u>	Include companies, job types, salaries, number of employees, location, educational requirement, etc. and attract a major university (4-year) to the County such as UC Davis or other prominent institution.	1	NO	MAYBE	NO	NO
