Behavioral Health Division Update Mental Health Commission August 23, 2017 Meeting

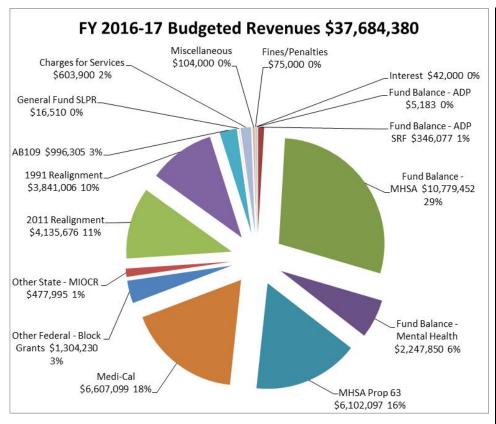

ASSISTANT & DEPUTY DIRECTOR UPDATES (Katy Eckert & Jamie Samboceti)

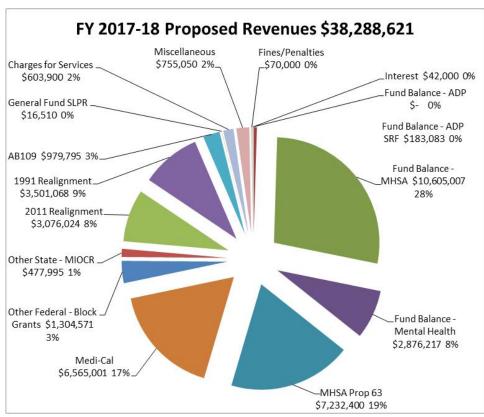

- The DMC-ODS Waiver Implementation Plan has been submitted to the State and we are awaiting feedback from the State. Additional activities related to the DMC-ODS Waiver include:
 - Drafting the DMC-ODS Fiscal Plan, which is due to the State by November 1.
 - Hosting Provider Stakeholder Meetings every other month starting in September to continue to build the provider network in El Dorado County.
 - Meeting with Aegis Treatment Centers, LLC to talk about the Medication Assisted Treatment (MAT) Expansion (aka the "Hub and Spoke") grant award and determine what other interests may exist for providing services to our communities, both in South Lake Tahoe and Placerville.
- The Behavioral Health Division is gathering bylaws from other counties whose "Mental Health Commissions" have become "Behavioral Health Commissions." The information gathered and proposed changes to the current Mental Health Commission Bylaws will be brought to this Commission in the fall.

EL DORADO COUNTY BEHAVIORAL HEALTH DIVISION STAFFING:

- New Hires:

- Position Changes:
 - Kate Hilbert, Clinician, is moving from the Access Team to the TAY program (WS)

EL DORADO COUNTY BEHAVIORAL HEALTH FINANCIAL UPDATE:

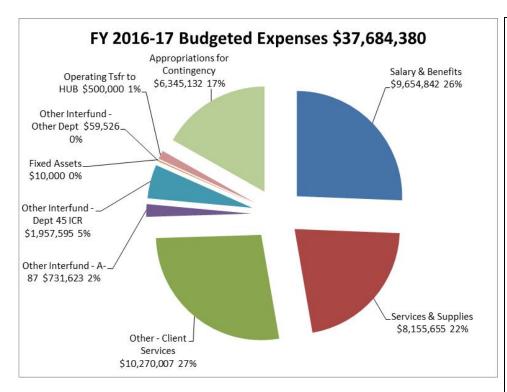

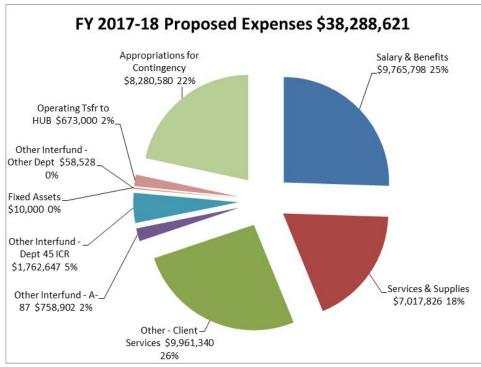

Highlights:

- Most funding coming into Behavioral Health is tied to delivery of services for specified programs.
- Base funding levels for individual counties are now set for 2011 Realignment.
- The county budgets full use of fund balance on the revenue side and an appropriation for contingencies on the expense side to allow flexibility throughout the year.
- MHSA Revenues are paid at an estimated rate all year long, a true up occurs in the July/August timeframe. The true up can either greatly increase or decrease revenues received for the year.

Areas of Concern:

- When the economy slows down and sales tax receipts drop statewide, we will experience a reduction in 1991 & 2011 Realignment.
- When the economy slows and California millionaire's income levels drop, MHSA revenues will likewise drop.

Quality Improvement/Utilization Review (Ren Scammon)

 SAMHSA released the fourth edition of its Behavioral Health Barometer state reports. These reports include data about key issues such as the prevalence of substance use, serious thoughts of suicide, serious mental illness, and treatment, for each state and the District of Columbia. The findings are presented by age, gender, racial and ethnic categories, poverty status, and health insurance status. Although the data is not specific to El Dorado County, it does provide an overview of issues in our State. The report for California can be accessed here: https://store.samhsa.gov/shin/content//SMA17-BAROUS-16/SMA17-BAROUS-16-CA.pdf.

- The State has released their Dashboards for Children/Youth and Adults. These items have been added to the State's website and the County's website.

 - El Dorado County: https://www.edcgov.us/Government/MentalHealth/QI/Pages/quality_improve ment.aspx

PROGRAM ACTIVITY UPDATES

MENTAL HEALTH SERVICES ACT (MHSA) (Ren Scammon/Tami Smith)

- The MHSA Team continues to recruit for a new MHSA Coordinator (Sr. Department Analyst).
- Implementation of the new plan continues. The Request for Proposal for the PEI Primary Intervention Project is being routed for approvals. The MHSA Team is in contact with Barton Foundation regarding expansion of the PEI Older Adults

Enrichment programs into the Tahoe Basin. The Behavioral Health Division is working with the Sheriff's Office on implementing mobile services in support of the PEI Community-Based Outreach and Linkage program. Contract amendments (as may be needed to extend current services) are in process. Planning is underway for the Older Adult Full Service Partnership with other units in the Adult System of Care.

OUTPATIENT SERVICES

(Sabrina Owen and Karen Naegeli (SLT); Parivash Mottaghian, Lesly Van Sloten and Rhapsody Flores (WS))

Wellness Center July Activities:

Tahoe:

• Participants enjoyed a lakeside Hawaiian themed BBQ with opportunities to learn to paddle board (fall down 7, stand up 8).

West Slope:

- To ease the effects of the heat, we had water balloon toss competitions.
- Misters have been installed and are very helpful in keeping people cool, especially during the line dancing on Tuesdays and Thursdays.
- The dried Mangoes (consumer band) expanded in so many ways: besides the current 6 members, there are now 4 singers who join the band every week during practice. In the month of July, the band received a donation of a set of Bongos by a consumer.
- Wellness Center participants now have access to additional sitting area for socialization. This became possible as the result of great teamwork between consumer volunteers and mental health workers.
- The summer weekly BBQs are going very well. Teams of consumer volunteers and mental health workers take turns in preparing a nutritious lunch and clean up afterwards.

ICM - July Activities:

Tahoe:

- Clients and staff alike enjoyed a Caples lake fishing & swimming trip.
- Clients are taking advantage of free weekly beach concerts that are within walking and/or biking distance.

West Slope:

- ICM held their 3rd Annual West Slope TTP Luau. The resident vs staff volleyball game was once again won by the TTP residents.
- Scott Fisher & Kevin Corley took ICM clients on 2 fishing trips: Silver Lake & Union Valley. Clients caught 5 fish during the Silver Lake trip.
- Cristina Nunez, Resource Specialist, was able to support 1 TTP resident in getting enrolled at Folsom Lake College for her first college course.

Children's Services (Angie Larrigan)

- El Dorado County Behavioral Health Utilization Review team and Children's Specialty Mental Health Services providers continue to work with Child Welfare Services to enhance the efficiency of Children and Family Team meetings with a focus on providing unduplicated, effective and strategic meetings.
- HHSA continues to await guidelines for implementation of additional AB403 Continuum of Care Reform stages which have been anticipated to roll out between now and 2021.
- A new ACL/IN regarding AB1299 has been issued. The notice provides guidance surrounding the implementation of Presumptive Transfer for Foster Children Placed Out of County (AB1299). The mission of AB1299 is to provide children and youth in foster care who are placed outside their counties of original jurisdiction access to SMHS in a timely manner, based upon their individual strengths and needs, and consistent with Early and Periodic Screening Diagnostic and Treatment requirements. Presumptive transfer means a prompt transfer of the responsibility for the provision of, or arranging and payment for SMHS from the county of original jurisdiction to the county in which the foster child resides. EDC MH and EDC CWS are working on developing a procedure to ensure effective implementation of AB1299
- The Quality Assurance/Utilization Review team is in the process of conducting a thorough audit of Day Rehabilitation services to ensure compliance with regulatory requirements.

TAY DBT/FEP Program (Sabrina Owen and Lesly Van Sloten)

Tahoe

- TAY DBT: Gearing up for the new school year Anastasia will be meeting with counseling staff and teachers from both campuses to identify both interested TAY to be trained as peer skills coaches and at-risk TAY that would benefit from learning DBT skills.
- TAY FEP: Anastasia has four FEP clients, consistent engagement and substance use continued to be the largest barriers to effective intervention.
 Anastasia will be continue to educate staff (both high school and college) to help identify early signs of mental health issues, with an emphasis on FEP, and how to refer students and their families for an assessment and treatment.

Placerville

- TAY-DBT: Program will begin again in the new school year sometime around the third week of September. The Mental Health Clinician position in this program has been vacant as of July 1, 2017, however, Independent High School and Community Charter School have been on summer break. A qualified Mental health Clinician has been identified to backfill this vacancy.
- TAY-FEP: Currently there is one client in this program and Kris Vandenbrink, Mental Health Clinician, is providing FEP services to the client. Client is currently not engaged in the program.
