APPEAL BEING MADE TO: Board of Supervisors Planning Commission

ACTION BEING APPEALED (Please specify the action being appealed, i.e., approval of an application, denial of an application, conditions of approval, etc., and specific reasons for appeal. If appealing conditions of approval, please attach copy of conditions and specify appeal.)

Save Our County is appealing the June 22, 2017 Planning Commission's approval of
PD17-0002 Diamond Springs Village Apartments based on the grounds that approval
of the project violates Measure E, the California Environmental Quality Act (CEQA),
and applicable general plan and zoning laws, and that project approval relied on flaws in
both the 2004 and 2015 general plans, which are currently being challenged in court and,
if found invalid by the courts, could result in the project being struck down. It appears
that there was a lack of public notification. There is concern about the financial stability
of the foundation to which the County is loaning money.
