

COUNTY OF EL DORADO COMMUNITY DEVELOPMENT SERVICES PLANNING AND BUILDING DEPARTMENT MEMORANDUM

Date:	October 9, 2017	Agenda of:	October 10, 2017
То:	Board of Supervisors		
From:	Mel Pabalinas, Senior Planner 🎣		
Subject:	Continuance of Piedmont Oaks Estates Project File Nos. Z12-0010/PD12-0002/TM12-1510 Legistar No. 15-1470		

Based on the applicant's request, staff is recommending continuance of the above referenced project **off-calendar** so staff can update and re-circulate the Initial Study/Mitigated Negative Declaration for the project to reflect revised traffic impact analysis. Following the conclusion of the 30-day re-circulation of the Initial Study/Mitigated Negative Declaration for public review, the project would be re-scheduled at the next available Board of Supervisors public hearing agenda.

Mel

Per our conversation I request the continuance of the BOS hearing in order to recirculate the CEQA document in order to update it to the traffic study findings.

Thank you
