

EL DORADO HILLS FIRE DEPARTMENT

*50 Years
of Service*

October 25, 2013

Mr. Ron Mikulaco
Supervisor, District 1
El Dorado County
330 Fair Lane
Placerville, CA 95667

Dear Supervisor Mikulaco,

As you are aware, the El Dorado Hills Firefighter's Association (EDHFA) is approaching fifty years of bringing Santa, Mrs. Claus and their elves to the community of El Dorado Hills. In preparation of this historic event the EDHFA would like to celebrate with a fireworks display during our grand finale.

The EDHFA and El Dorado Hills Fire Department are requesting permission from the El Dorado County Board of Supervisors to conduct a public fireworks display on Saturday, December 21st, at 1800 at Town Center. The fireworks display will be part of our 50th annual Santa Run event and will showcase our commitment to the parade. The fireworks display will be put on by Pyro Engineering, Inc. and should last four to six minutes. The El Dorado Hills Fire Department's Fire Marshal has reviewed and approved the permit application to ensure that this public fireworks display conforms to the current State Fire Marshal regulations. Issues related to public safety, traffic, parking, security, and radio communications will be addressed in an incident action plan and disseminated throughout the first responder community.

We have received permission from El Dorado Hills Town Center to use their facility. We will be in contact with the El Dorado County Sheriff's office and with the California Highway Patrol to coordinate efforts to manage traffic congestion in the general viewing area. We will be working with adjoining fire districts to ensure that fire department emergency response personnel are staged at strategic locations both inside and outside the firework venue.

Sincerely,

Chief Dave Roberts
El Dorado Hills Department
