Supervisors,

There are so many reasons why you must deny Waste Connections another franchise agreement.

I will give you the main one:

Waste Connections in collusion with and obstruction of the Environmental Management Department. Has stolen the high value and achievable promise to county residents, future generations and the environment of the counties Solid Waste Management Plan!

If Waste Connections would not have obstructed the \$200,000.00 and 6000 hour Solid Waste Management Plan from day one. Jobs and tax money would be flowing into EL Dorado County!

Please deny them so we can move forward in a positive way!

Respectfully,

Michael Mueller, RCDD
