**3. Cancellation/Termination**

The State may terminate this agreement and be relieved of any payments should the LLA fail to perform the requirements of this agreement at the time and in the manner herein provided. assertion or claim received from any source indicates the existence of a real or apparent conflict of interest; and, if a conflict is found to exist, to require the LLA to submit additional information or a plan for resolving the conflict, subject to CDPH review and prior approval.

B. Conflicts of interest include, but are not limited to:

- 1) An instance where the LLA or any of its subcontractors, or any employee, officer, or director of the LLA or any subcontractor has an interest, financial or otherwise, whereby the use or disclosure of information obtained while performing services under the agreement would allow for private or personal benefit or for any purpose that is contrary to the goals and objectives of the agreement.
- 2) An instance where the LLA's or any subcontractor's employees, officers, or directors use their positions for purposes that are, or give the appearance of being, motivated by a desire for private gain for themselves or others, such as those with whom they have family, business or other ties.

C. If CDPH is or becomes aware of a known or suspected conflict of interest, the LLA will be given an opportunity to submit additional information or to resolve the conflict. A LLA with a suspected conflict of interest will have five (5) working days from the date of notification of the conflict by CDPH to provide complete information regarding the suspected conflict. If a conflict of interest is determined to exist by CDPH and cannot be resolved to the satisfaction of CDPH, the conflict will be grounds for terminating the agreement. CDPH may, at its discretion upon receipt of a written request from the LLA, authorize an extension of the timeline indicated herein.
