

Will your favorite recreation site be **closed**?

Crystal Basin Recreation Area facility upgrades coming soon...

Please pardon our dust while we make some exciting improvements to recreation sites associated with the Sacramento Municipal Utility District's Upper American River Project in El Dorado County. Over the next few years, many of the facilities will be upgraded, and several new features added for your future enjoyment. The work will require some sites to be temporarily or completely closed during construction within the timeframes below. We apologize for any inconvenience and thank you for your patience.

Schedule of improvements and temporary closures:

- Loon Lake Boat Launch after **Labor Day 2017**
- New restrooms at Pleasant Campground **2017**
- Azalea Cove Campground **May – June 2018**
- Wench Creek Campground **May – June 2018**
- Angel Creek Day use area **July – August 2018**
- Gerle Creek Campground **after Labor Day 2018**
- West Point Boat Launch **after Labor Day 2018**
- Yellowjacket Boat Launch **after Labor Day 2018**
- Sunset Campground **during 2018 and 2019**
- Northshore RV Campground **during 2019**
- North Union Valley Road **2019**
- Lakeshore Drive **2019**
- Camino Cove Campground **2019**
- Wolf Creek Campground **2019**
- Slab Creek Reservoir **2019 (Not on map)**
- Upgrade trails between Loon Lake, Buck Island Reservoir and Rubicon Reservoir **2017 (open during renovations)**
- Union Valley Bike Trail: Wench Creek to Yellowjacket Connector **open for use in 2020.**

Closures are subject to change.

Please check with the U.S. Forest Service for updates.
