**Re: Town Center Apartments**

Dear Honorable Supervisors:

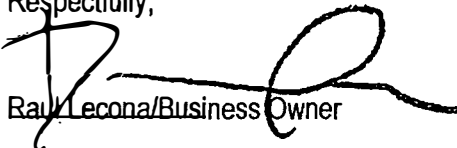

On behalf of (your *business name*) I am writing to express our support for the approval of the Town Center Apartments. Our family is devoted to preserving the quality of life in El Dorado County by providing and promoting a strong, healthy and diverse business community.

I urge you to support the Town Center Apartment project and bring a different type of housing to El Dorado Hills. We are thrilled that the project will provide its own parking, not have an adverse impact on services and most importantly will bring life to the Town Center.

Construction of these apartments is essential for further business development. These new residents will support the businesses in Town Center along with other El Dorado County businesses that need customers to succeed. This project is critical for our businesses to not only survive but thrive. Approval of the Apartments will bring much needed jobs to the community, new buyers for local businesses and new revenue for your County budget.

We urge you to support this project to show that we are business friendly and welcome investors that are interested in making major financial commitments in El Dorado County.

Respectfully,

  
Ray Lecona/Business Owner
