The idea of a “high Crime” which is referred to in our Constitution refer to those crimes committed by people in authority and especially those who are charged with securing the public trust. Hitler's propaganda chief, Joseph Goebbels, said “If you tell a lie big enough and keep repeating it, people will eventually come to believe it.”

Truth is the mortal enemy of the lie, and the list of the River Mafia lies and bully tactics lines up like something right out of the movie *The Godfather*. For example:

As discussed during yesterday’s Taxpayers meeting, EDC code and law enforcement is abysmally lacking. County staff, ^{including Vickie Gardner, Toan Puckier & Laura Schwartz} routinely falsify records, declare negative EIRs, and resort to bureaucratic legal manipulations. The outcomes of public meetings are predetermined before anyone enters the room. RMAC is no exception because serial meetings are routinely held at Camp Lotus, American River Conservancy and the MGD. ^{in violation of the Brown Act,}

Good governance is an oxymoron and transparency can only be described as a brick wall. Roger Trout’s 3-strikes policy does not exist, therefore it cannot be enforced. He has consistently failed to lawfully respond to CPRAs concerning the RMP and specific business establishments within the Quiet Zone of the American River, thus demonstrating that mockery of the law is worse than no law at all. Retaliation by the mob is their modus operandi. ^{Lt. Axel Bernstein}

Last Monday night’s chaotic RMAC meeting was held at the Coloma Grange Hall. When I entered the building RMAC business rep Adam Anderson immediately approached me in manner that can only be described as menacing. I ignored him until the point he invaded my personal space making it impossible to avoid him. Finally I turned around and questioned why he hadn’t resigned as he stated and made part of the minutes of the 9/11/17 RMAC meeting. Adam replied to me with a sneer, **“Oh that was just a legal manipulation.”**

At the very beginning of the meeting it was announced that this RMP resolution would be approved at today’s BOS, thus substantiating that the outcome was already predetermined. Planning Commissioner Kris Payne, Sue Taylor and Lori Parlin were present, and although none of them live anywhere near the Coloma-Lotus river community it is significant that Kris Payne monopolized the meeting and that Sue Taylor contributed to the resolution revisions. The chaotic first hour and a half had nothing to do with the agenda item discussion. Kris Payne demonstrated apparent conflict of interests, violations of his Principle Agent Oath of Office and it certainly does not bode well that yesterday afternoon it was announced that the regular meeting of the Parks and Recreation Commission, scheduled for Thursday, February 15, ~~2018~~ has been CANCELLED.

There’s no question about the political motivation behind these surreptitious activities taking place that are clearly outside of the law. In reality ^{7/11/3} it is the implementation of Agenda 21.
