

The proposed 2017 Zoning Ordinance Minor Amendments (Planning and Building Department Project File No. OR 17-0001) includes 11 agriculture-related items. These items generally fall into three categories:

- 1) Minor text modification for clarity or internal consistency with other provisions of the Zoning Ordinance (8 items);
- 2) Corrections to erroneous code references (1 item); and
- 3) Limited parcel-specific amendments to correct errors to the Zoning Map (2 items).

Staff Recommendation

Staff recommends the Agricultural Commission forward a recommendation to the Planning Commission and Board of Supervisors to approve the proposed agricultural-related minor zoning amendments as presented by staff.
