Dear Supervisors and Child Abuse Prevention Council Members,

After nearly six years on the Child Abuse Prevention Council, I resign my appointment as a Community Representative as of January 1, 2009. During these six years, the Council has increased its capacity to serve as the forum for interagency collaboration and prevention and education programs. It has been a rewarding experience to work closely with such passionately committed individuals, dedicated to improving the lives of children throughout El Dorado County. Thank you for the privilege of working on the council to improve the safety and wellbeing of children in our communities.

Sincerely,

Elizabeth Blakemore

Re: Resignation of my position

Elizabeth and Council Members:

After much consideration and thought I am formally submitting my resignation as both Chair and a member of the Council. I have thoroughly enjoyed serving on the council and believe it can be an important component in our community involved in creating safe environments for our children as well as stabilizing families.

However, I started a new position on December 1, 2008 as Program Coordinator for Mental Health at the Sacramento County Boys Ranch. It's a great new challenge for me and I feel very fortunate to have attained this position. It is an opportunity to turn my attention to a new endeavor, although not necessarily a new population; as many of the residents there have significant CPS histories. I want to do the best job I can there and feel I must focus my energies on my role at the ranch for the time being.

As a result, it becomes problematic for me to be the advocate I want to be for the Child Abuse Prevention Council. I believe the Chair must be a committed and available participant in order for the Council to grow in stature and voice in our community. I am unable to make that commitment at this time and wish to step aside for someone who is able to take on that role.

It is my hope that you will think of me when you do special projects or things I can be involved.

Thank you for your faith in me.

God Bless,

Michelle R. Witt, Chair

Subject CAPC January Meeting Agenda and Attachements

Dear CAPC Members,

Please see the attached Monday, January 26 meeting agenda and attachments. Note that we will accepting the following members resignations: Rene Evans, Michelle Witt and Elizabeth Blakemore. Since Rene and Michelle served in essential leadership positions, please consider your ability to step in and support our executive committee for the remainder of the year. We will need to elect at least one executive committee member in order to ensure good governance of the CAPC and effective functioning of our executive committee. In addition, we will be welcoming our newest members, Gail Healy and Katie House.

If you have any difficulty with the (7) attachments, please let me know and I will resend. Thank you for your patience as we make this administrative transition.
