Child Abuse Prevention Council

1. Name: Katie House

2. Have you ever been appointed to a County Board, Council, Committee, or Commission? Y N *

If yes, please indicate type and dates of service:

3. Why do you seek appointment on the Child Abuse Prevention Council?

I have a passion for giving children a voice. I am taking a break in my own career to be at home with my children. I see the council as an opportunity to advocate for children and be involved in our community.

4. What are your qualifications to be on the Child Abuse Prevention Council?

I am a Marriage and Family Therapist Intern and have worked several years with this population. My focus areas have been in infant mental health and adolescent family therapy. I have worked with foster families who are caring for children who have suffered from abuse and/or neglect.

5. Do you have any affiliations with professional and/or community groups?

Before leaving to stay home with my girls, I was employed by New Morning Youth and Family Services and I still have good relations with the agency. I also have professional relations with many of the staff at El Dorado County Mental Health, Summitview Child and Family Services, Sierra Child and Family Services, and the Infant-Parent Center. I am active in my church and numerous child/parent play groups in the community, including a "Preschool Day" I do once a week from my home.
