Dear El Dorado County Board of Supervisor Members,

We attend the Senior Nutrition lunch program at the El Dorado Hills Senior Center. Please do NOT cut funding for this critical and important program. Many Seniors are living alone, and we don't cook anymore.

For many of us, it's the only hot, nutritious meal we have in a 24 hour day. Also, this is the only place we can meet our friends and visit. Most of us don't get out of the house much any more and these lunches keep us going. The alternative to Senior Nutrition would be Seniors sitting in front of the TV with a sandwich. In addition, lots of us are having difficulty with the poor economy these days.

Our lunch program is very important to us, not to mention the many homebound seniors who get their meals delivered.

Please help! We urge you for your support of this program.

Sincerely,

El Dorado Hills Senior Nutrition participants
