Congratulations on being approved for the award and distribution of payments for the Fiscal Year (FY) 2017/18 Used Oil Payment Program (OPP8). Via web link are the award listings for [OPP8](#). The OPP8 list also identifies whether recipients requested payments in October 2017 or April 2018. For those recipients eligible for October payments, our Fiscal Services Branch is in the process of sending payments to the State Controller's Office and expect checks to be sent in November. The April recipients should receive their checks in April 2018. Please notify your appropriate staff who will be receiving the checks about the payment schedule and information. In addition, a Remittance Advice (Warrant Payment) form specifying "OPP8" and the invoice amount will be enclosed with each check; an example is attached.

Please retain a copy of this email and the list as part of your OPP8 file. Please remember to fully expend your OPP7 funds before expending OPP8 monies.

Questions concerning the above information should be directed to your [Program Advisor](#).

Thank you,

Used Oil Team
