**California Department**  
**of Forestry and Fire**  
**Protection (CAL FIRE)**

If you are the property owner and are age 60 or older, you may qualify for financial assistance to remove the trees endangering your home. The funding is available through El Dorado County with a grant from the California Department of Forestry and Fire Protection (CALFIRE). **The grant funding is limited** and available to El Dorado County homeowners who meet the following eligibility criteria:

- Household must be low-income as defined by household size
- ◀ See *Maximum Household Income Limits*
- Property must be your primary residence, properly permitted and owner-occupied by person(s) at least 60 years of age
- Affected trees within 300 feet of an inhabited dwelling must be determined by the County's professional Forester/Arborist to pose a threat to structure
- Program allows for removal of two dead/dying trees that pose a threat per eligible property
- Mobilehome Park Residents are not eligible
