My name is Lee Miller. I live in El Dorado Country. I saw agenda item 17-0255 which will be discussed during the BOS meeting on March 7, 2017. I support Supervisors Novasel and Frentzen recommendation that the Board adopt and authorize the Chairperson to sign Resolution 048-2017 Promoting Civility, Respect, Tolerance, and Human Rights.

I attended the Placerville City Council meeting where the racist Anti Immigrant resolution by Wendy Thomas was discussed. The resolution was taken off the agenda but why someone would even suggest this type of resolution which not only impacts immigrants but also tourism, wine industry and agriculture industry in the area is beyond me.

It's time to stand up to the hatred and the Board of Supervisors can help by approving this agenda item.

Thank you for your time
Lee Miller

Dear Supervisors;

I very strongly support this resolution stating clearly that El Dorado County does not heed the call for hatred and xenophobia coming from the current US government.

Thank you

Urs Schuler, Placerville.
