## Discharge of Accountability Confirmation

In accordance with Government Code Section 252258 (e), I, Patricia Charles-Heathers, Director of Health and Human Services Agency, agree that the attached list of accounts are debts that should be discharged as they are no longer collectable, as the debtor is in bankruptcy, the debtor is deceased, the debtor is no longer locatable, the statute of limitations has expired, the allowable time to bill 3<sup>rd</sup> party has expired, or the amount owing is too small to justify the cost of further collection. I understand the recommendation is that our office be discharged from accountability, and this does not relieve the debtor's responsibility for the debts.

I declare the foregoing is true and correct.
