Quick Overview

- CHRP is a competitive grant program that provides funding directly to law enforcement agencies having primary law enforcement authority to create and preserve jobs and to increase their community policing capacity and crime-prevention efforts.
- Up to \$1 billion in grant funding will be available for the hiring and rehiring of additional career law enforcement officers.
- There is no local match requirement for CHRP, but grant funding will be based on current entry-level salary and benefits packages and therefore any additional costs for higher salaries or benefits for particular individuals hired will be the responsibility of the grantee agency.
- CHRP grants will provide 100 percent funding for approved entry-level salaries and benefits for 3 years (36 months) for newly-hired, full-time sworn officer positions (including filling existing unfunded vacancies) or for rehired officers who have been laid off, or are scheduled to be laid off on a future date, as a result of local budget cuts.

*In addition, there is no cap on the number of positions an agency may request, but awards will be limited to available funding. Please be mindful of the initial 3-year grant period and your agency's ability to fill the officer positions awarded, while following your agency's established hiring policies and procedures.

- At the conclusion of federal funding, grantees must retain all sworn officer positions awarded under the CHRP grant. The retained CHRP-funded position(s) should be added to the grantees law enforcement budget with state and/or local funds, over and above the number of locally-funded positions that would have existed in the absence of the grant.
