B. Compensation For Services

1. Contractor shall produce a detailed monthly invoice in an amount not to exceed actual expenditures, based upon Provisional Unit Rates, incurred during the reporting period. Contractor shall submit monthly invoices no later than thirty (30) days following the end of a “service month” except in those instances where Contractor obtains written approval from County Health and Human Services Agency Director or Director’s designee granting an extension of the time to complete billing for services or expenses. For billing purposes, a “service month” shall be defined as a calendar month during which Contractor provides services in accordance with the Article titled, “Scope of Services.”
2. For services provided herein, including any deliverables that may be identified herein, County agrees to pay Contractor upon the satisfactory completion and County’s acceptance of work, monthly in arrears and within forty-five (45) days following the County’s receipt and approval of itemized invoice(s) identifying services rendered.
3. Itemized invoices shall follow the format specified by County and shall reference this Agreement number and on any enclosures or backup documentation.
4. Copies of documentation attached to invoices shall reflect Contractor’s charges for the specific services billed on those invoices based upon Provisional Unit Rates, for services provided during the reporting period. Invoices shall be mailed to County at the following address:

County of El Dorado
Health and Human Services
Fiscal Unit
3057 Briw Road, Suite B
Placerville, California 95667

or to such other location as County directs.

5. Payment will be in an amount equal to the Provisional Unit Rates multiplied by the number of validated and authorized units provided. At the sole discretion of County, Contractor will not be reimbursed for those units of service that were provided without County authorization, provided to ineligible clients, or that were otherwise non-reimbursed units.
6. Contractor will not be reimbursed for those units of service that were provided without County authorization, ineligible clients, ineligible services, or that were otherwise non-reimbursed units.
7. In the event that Contractor fails to deliver the documents or other deliverables required by the individual service authorizations issued pursuant to this Agreement, County at its sole option may delay the monthly payment for the period of time of the delay, cease all payments until such time as the deliverables are received, or proceed as set forth herein below in the Article titled, “Default, Termination and Cancellation.”
8. Contractor shall have no claim against County for payment of any kind whatsoever for any services provided by Contractor, which were provided after the expiration or termination of this Agreement.

9. County shall serve as the fiscal intermediary for Medi-Cal claiming and reimbursement for services, and shall act on Contractor's behalf with regard to Medi-Cal claiming.
10. Contractor shall not be reimbursed for any cost that exceeds the Maximum Payment Amount in each fiscal year.
11. Provisional Unit Rates shall be a mathematical computation considering the Maximum Payment Amount and the total target volume of units of service as determined by MHD. (See table with Provisional Unit Rates, above.)
12. Invoice amount shall not exceed 1/12th of the Fiscal Year Program Maximum Obligation, without pre-authorization, prior to the start of services, in writing by MHD. For any period of funding less than one year, the monthly billing amount shall be prorated accordingly (i.e. funding allocated over an eight month period will be prorated based the Fiscal Year Program Maximum Obligation). Costs exceeding the 1/12 of the Fiscal Year Program Maximum Obligation, or appropriate prorated amount, not preauthorized by MHD shall not be reimbursed at any time or through any other payment process including cost settlement.

It is understood that the validity of such monthly billings, in terms of their compliance with state regulations, is subject to the review of the State of California and that County will be making payments on said billings in advance of said review and approval by the state, and in advance of the reimbursement by the State to County for sums expended there under. In the event any claim, or part thereof, is disapproved by the State, Contractor may take action to correct the billing for resubmittal. In the event that County is not reimbursed by the state for
