RE: Modification to the 2009 Operating and Financial Plan for Controlled Substance Operations  
Cooperative Agreement No. 08-LE-11051360-002

Dear Sheriff Neves:

Pursuant to the letter dated September 15, 2008 signed by Ron Pugh, Special Agent in Charge (retired), we have received additional funding for Controlled Substance Operations in Fiscal Year 2009, which begins October 1, 2008 and ends September 30, 2009. Therefore, I am pleased to be able to increase your allocation from \$5,000 to \$20,000.00. As with past increased allocations, there is no guarantee or expectation that this funding level will continue in Fiscal Year 2010.

Enclosed are two copies of the "Modification to the 2009 Operating and Financial Plans for Controlled Substance" for your agency. Please acquire the necessary signatures and return to me at the address above. I will be the final signatory for this Operating Plan. One fully executed original will be returned to your office.

Please be advised the USFS shall not be liable for any unauthorized cost and/or services incurred without a fully executed document in place or beyond the level of authorized funding.

As previously stated, I assure you the USFS is committed to working cooperatively with you and all of our partner agencies to effectively combat the production of Controlled Substances on National Forest lands.

If you have any questions or concerns, please contact me at (707) 562-8648.

Sincerely,

  
LAURA J. MARK  
Special Agent in Charge
