## **Attachment C**

### **Annual Maintenance Agreement**

Support and Maintenance is provided only for SOFTWARE and hardware licensed or purchased directly from SquareRigger.

Maintenance shall include the following:

#### **1. Telephone Services**

SquareRigger shall provide telephone support service to CLIENT during support hours of 7:00am through 5:00pm Pacific Time Monday through Friday. CLIENT shall receive technical communications regarding the problem. The response time to address problems depends on the complexity and urgency of the problem.

- a) Assistance in identifying and verifying the causes of suspected defects, where reasonably available.
- b) Advice on detours for verified defects, where reasonably available.
- c) Information on verified defects previously identified by CLIENT and reported to SquareRigger and detours to these, where reasonably available.
- d) Advice on completion, and authorization for submission, of SquareRigger Modification/Change, request to report identified defects in Program Product(s) to SquareRigger as specified.

#### **2. Onsite Technical Assistance**

At CLIENT's request, a technical support person may be dispatched to CLIENT's site. SquareRigger shall be entitled to reasonable expenses, as shown below and in accordance with Attachment D and shall not exceed the actual amount of travel costs and an hourly fee charged at SquareRigger's published rates for the type of service rendered (a minimum of eight [8] hours charged for each day) for the time the support person was at CLIENT's site. The Project Manager for SquareRigger and the CLIENT's Contract Administrator will be responsible for determining the need for on-site support and any negotiating regarding support responsibility or costs. Any additional costs or expenses to CLIENT shall be authorized in writing and approved by both SquareRigger and CLIENT prior to commencement of such work.

#### **3. Software Updates**

During the term of this Annual Maintenance Agreement, including any renewal hereof, SquareRigger shall provide CLIENT with updates to the SOFTWARE licensed

by CLIENT and shall notify CLIENT of the availability of newer versions available. This Agreement provides for assistance with installation of updates on existing workstations and servers.

#### **4. Corrections and Fixes**

As part of the Agreement, Squarerigger shall address SOFTWARE problems and provide any fixes (patches) to CLIENT, even if CLIENT personnel have not experienced the problem. All fixes shall be incorporated into the program SOFTWARE and updates shall be provided to CLIENT as part of this Agreement at no cost. SOFTWARE updates that modify the existing SOFTWARE version shall be provided at no cost to CLIENT as part of the regular Annual Maintenance Agreement.

#### **5. Special/Custom Reports**

As part of the Agreement, Squarerigger may develop special reports requested by CLIENT and integrate the reports into the SOFTWARE at a development cost to be determined. The cost shall depend on the complexity or the reports requested. The Project Managers for Squarerigger and CLIENT shall determine if this is a chargeable report and the hourly or flat rate to be charged.

#### **6. Renewal**

Annual support and maintenance subscription rates may be increased due to additional purchases made by CLIENT. Such increases are subject to written approval by CLIENT's Contract Administrator.

#### **7. Items and Services Specifically Excluded**

Maintenance shall not include the following:

a) Training:

This Agreement does not provide for remedial or new training of users. If a Squarerigger support technician determines that the support incident actually involves training a user on one (1) or more aspects of the SQ.7™ SOFTWARE or Squarerigger-provided hardware, the technician shall direct CLIENT to purchase training services.

b) Installation on new or recovered hardware:

This Agreement does not cover the installation of SOFTWARE or a newly purchased workstation, re-installation of SOFTWARE on a workstation which has been re-initialized after a failure, or for other installations other than that provided above under covered services.

c) Assistance with software or hardware not provided by Squarerigger.

- d) Assistance with network issues or recovery from failures not caused by Squarerigger-supplied SOFTWARE or hardware.

## **8. Hourly Rate for Consulting Services**

Should CLIENT require technical assistance not named in the Agreement tasks or Annual Maintenance Agreement and that are not part of the initial compensation described herein, Squarerigger shall provide such assistance at its published hourly rates for the type of service rendered. A minimum charge of four (4) hours shall apply for jobs performed by Squarerigger while at Squarerigger's facility and a minimum of eight (8) hours (the "daily rate") shall apply for each day or portion of a day for jobs performed by Squarerigger at CLIENT's facilities. For all work performed on site at CLIENT's facilities, reasonable and necessary travel expenses plus a travel charge shall also be charged, as explained below. Squarerigger and CLIENT's Contract Administrator, or designee, is responsible for determining the need for on-site support and approving support responsibility and costs in advance of such support.

## **9. Training**

SquareRigger provides numerous training opportunities for its clients. Such training opportunities include:

- a) Web-Assist Live! – This is internet based training with a live trainer. A trainer connects, via an internet based technology device, with the trainee and conducts a training session via that and a telephone. This training is billed in quarter-hour increments with a minimum charge of one (1) hour.
- b) On-site training – A trainer travels to a client's site to provide training. This training is billed in hourly increments with a minimum daily charge of eight (8) hours, plus travel-related expenses and travel charges.
- c) Group Conference and Regional Training Sessions – This training occurs periodically at regional sites in a specific classroom setting, and many clients typically participate in each training session. This training must be reserved and paid for in advance and seating is limited. Travel expenses are the responsibility of each attendee.

## **10. Travel Rates**

Travel rates shall be billed in accordance with Attachment D, Technical Assistance and Travel Rates.

## **SquareRigger, Inc.**

### **Attachment D**
