Who We Are

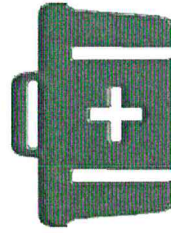

The Emergency Preparedness and Response team is at the center of disaster preparedness in El Dorado County.

We take a proactive and positive approach to help people and communities prepare for emergencies.

We encourage and instruct residents, local organizations, agencies and businesses to be ready for emergencies and all disaster events.

Our Partners Include

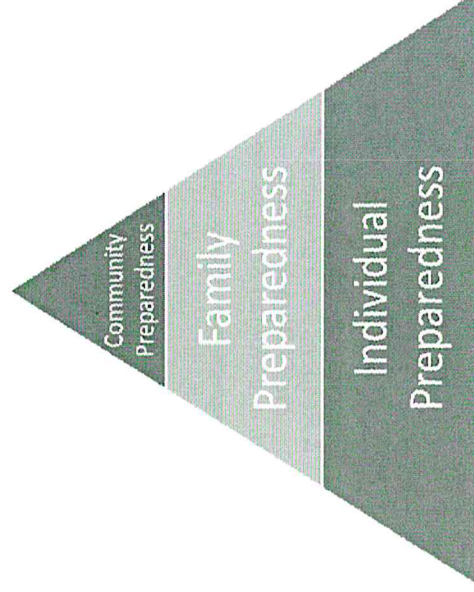

- El Dorado County Animal Services
- Sheriff's Office of Emergency Services
- El Dorado County Emergency Medical Services Agency
- El Dorado County Environmental Management
- El Dorado County Healthy & Human Services
- American Red Cross, Sierra Delta Chapter
- Local Hospitals, Schools, Community Groups and Community Volunteers

Make a Kit

Quick Tips to Prepare

- **Make an emergency kit.** Remember children, pets and those with special medical needs.
- **Have a plan.** Have an emergency response and evacuation plan.
- **Be informed.** Know how to get information from the radio, TV, social media, text alerts and emergency notification systems.
- **Know your neighbors.**

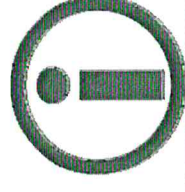

Building Disaster Resilient

Communities Starts With You!

Prepare for your individual needs:

- Have at least a weeks worth of medication in your emergency supply kit.
- Identify back-up or alternate power supplies for electricity dependent equipment.
- Keep a supply of special food or infant formula.
- Identify alternate transportation for evacuation.

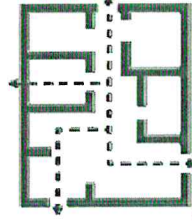

Be Informed

What We Do

We prepare for and respond to all-hazards.

We focus on:

- All-hazards emergency planning
- Community education and training
- Staff education and training
- Emergency response and communication
