El Dorado Hills Area  
Planning Advisory Committee (APAC)  
District I Volunteer of the Year - 2018*

*The Gift of Time is Priceless*

With appreciation for exemplary service to the El Dorado Hills Community. Their recommendations have made a difference by influencing developers, County Planners, the Planning Commissioners, and the Board of Supervisors in the outcome of many proposed El Dorado Hills projects. APAC's tireless dedication and their submittal of written position letters of support, conditional support or non-support represent the community's strongest voice in local land use planning.

*District II Volunteer of the Year - 2018*

*The Gift of Time is Priceless*

With sincere appreciation for her many contributions and dedication to El Dorado County. For several years Mary was the editor of the *PVFA Turnout*, a quarterly publication with local news articles and a variety of other information for the South County area. She currently volunteers time to the community with the UCCE Master Gardeners and was recently appointed to serve on the Cemetery Advisory Committee for District II. Mary's latest project was a community health fair. She began to organize the event by gathering volunteers and community groups to participate and together they brought forth the *2018 South County Health and Safety Fair*. The Fair was informative, fun and a great opportunity for the community!

*District III Volunteer of the Year - 2018*

*The Gift of Time is Priceless*

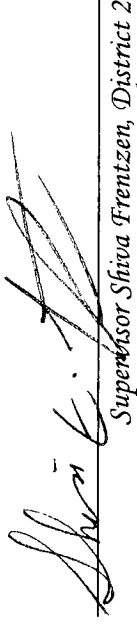

With appreciation for your ten years of volunteer work and dedicated service on the El Dorado County Fish and Game Committee. A few projects during your tenure include: Finnon Lake and King Fire Restorations – UARP Agreement – Fish Stocking/Kids Derbies – F&G Website Updates – Land Access Issues – Pacific Deer Herd Study – Frog Issues. All executed with no thought of what you would get in return, only to make things better.

You are truly appreciated for your positive contribution to our county.
