Attachment 1

11. I have the firm belief that a quality 0-5 education provides the foundation for a student to succeed and meet their potential. My core values, past and current practice, and educational leadership vision for El Dorado County aligns to the goal of the Commission, "To serve as a voice and advocate for young children by developing initiatives that meet the best interests of children zero through five years and their communities." As an educational leader, I seek to lead and practice in a manner that integrates research, is collaborative, transparent, and outcome based for all children in El Dorado County.
