

## Memorandum of Understanding

### Drug Medi-Cal Organized Delivery System

This Memorandum of Understanding (MOU) between the County of El Dorado (hereinafter referred to as COUNTY) and Blue Cross of California Partnership Plan, Inc., whose principal place of business is 1 WellPoint Way, Thousand Oaks, CA 91362 (hereinafter referred to as ANTHEM). The purpose of this MOU is to describe the responsibilities of COUNTY and ANTHEM for coordination of Medi-Cal alcohol and other drug services for Plan Members served by both parties under the Department of Health Care Services (DHCS) Medi-Cal Managed Care Program.

This MOU delineates the specific roles and responsibilities by ANTHEM and COUNTY for screening, referral, coordination and delivery of alcohol and other drug services for Medi-Cal beneficiaries, who meet the medical necessity criteria for Medi-Cal services and identified by DHCS as a Medi-Cal Managed Care Health Plan benefit. MHSUDS Information Notice No: 16-005 has been used as the reference for the required elements in this MOU. All references in this MOU to "Members" are limited to individuals assigned to or enrolled in the ANTHEM health plan.

#### **BACKGROUND**

On November 2, 2010, the Centers for Medicare and Medicaid Services (CMS) approved California's Health and Human Services Agency request for approval regarding the California Section 1115 five-year Medicaid Demonstration, titled "California's Bridge to Reform" (Waiver 11-W-00193/9) under the authority of Section 1115(a) of the Social Security Act. DHHS approved Waiver 11-W-00193/9 on December 30, 2015, and approved amended Waiver 11-W-00193/9 on April 5, 2018. Amended Waiver 11-W-00193/9 authorizes California to implement a new paradigm for Medicaid eligible individuals with substance use disorder (SUD) called the Drug Medi-Cal Organized Delivery System (DMC-ODS). Critical elements include:

- Providing a continuum of care modeled after the American Society of Addiction Medicine (ASAM) Criteria for substance use disorder treatment services
- Increased local control and accountability
- Greater administrative oversight
- Creation of utilization controls to improve care and efficient use of resources
- Evidence based practices in substance abuse treatment
- Integrate care with mental health and physical health

## **TERMS**

This MOU constitutes the entire understanding and obligation of the parties and supersedes any prior agreement, writings, or understanding of the parties, whether oral or written, in each case with respect to the subject matter of the MOU. This MOU shall become effective upon final execution by both parties hereto and shall continue until terminated by either party.
