

RESOLUTION NO. 007-2019

OF THE BOARD OF SUPERVISORS OF THE COUNTY OF EL DORADO
ESTABLISHING THE COUNTY OF EL DORADO CEMETERIES FUND

WHEREAS, County is the governing body regulating cemeteries and burial sites within its borders; and

WHEREAS, County actively manages many historic-era public cemeteries, under the direction and supervision of the Community Development Services, Administration and Finance Division, Cemetery Operations Unit (CDS); and

WHEREAS, County cemetery services are funded by various fees for services, donations, and County General Fund Contribution; and

WHEREAS, the cost of operations to provide maintenance, historical preservation, and improvement services to public cemeteries has steadily increased as the County has had to assume responsibility for more historic-era cemeteries, requiring additional General Fund Contribution for continuation of services at traditional levels; and

WHEREAS, there exists within the County a non-profit organization that promotes charitable giving in El Dorado County and which is able to manage a charitable fund for the benefit of supporting and preserving historic-era cemeteries within the County, once a defined minimum level of contribution is met; and

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors authorizes CDS to:

Take necessary actions to establish a County Trust Account for all revenue and interest received from the County of El Dorado Cemeteries Fund managed by a non-profit charitable organization through a formal agreement.
