The request for bid is for the purpose of:

Purchasing two (2) dump trucks, one (1) loader, and three (3) trucks through previously bid state and NJPA contracts.

Without this product or service, the impact to the department would be:

If the equipment is not purchased it will effect the level of service the Department is able to offer to the public. The Department is currently short on trucks and having to rent. The dump trucks, loader and hookloader will allow staff to operate safer equipment and meet ARB regulations on replacement equipment.
