Subject: Public Comments: CEP19-0002/EDH CSD Digital Monument Sign

To: <planning@edcgov.us>

To: El Dorado Planning and Building Department

I am a resident in Governor's Village West, about .75 miles from the location of the proposed digital sign. I've been at this house since 1980.

If this sign is approved at 125-110-09, DO NOT allow 3rd party advertisements on the sign--especially political advertisements. The permit should be conditional and not allow for advertisements. I oppose 3rd party advertisements on the sign and will be prepared to rally the residents in my area if the sign is used for anything but local community events.

Thanks,  
James Simonelli
