RE Appeal 17 22-220

Dear Mr. Dupray:

I would like to thank you for being so open minded regarding my appeal. I have received phone calls from some residents on Crossroad Drive thanking me for helping to keep their neighborhood quiet. I have learned a lot in the past few months, but most of all, the experience itself in seeing how the process of County Government works. It's refreshing to see our system do what's right for our county and citizens. I deeply appreciate all your time and thank you again.

Sincerely,

P.S. Does this mean I can have my \$100 back??? 😊
