j Mysta Ch 4 Holy Bo	ampion-Freyenbelger em-ka	2019 05:10 16:41 30 Trails not what was promised. Need to have weed management, crushed granite or asphalt. 2019 05:39 16:41 Many promises made in this community while the builders were still selling. So far, many of the pl	ans have not been started, completed or even ap	preved. Too bad because it v	was what we were promised	d when they were selling this great neig	hborhood.
