

Forebay Community Park Survey

The purpose of this survey is to gather input on what you, the community, would like to be added and improved at Forebay Community Park. The County will be applying for grant funding for the park and if the funding is received, we want to ensure your voices are heard! If the funding is not received, the County will still utilize the information provided to make improvements at the park.

We want to hear your feedback so we can keep improving your park. Please complete this quick survey and let us know your thoughts (your answers will be anonymous). Please complete and submit this survey by Friday, May 10th, 2019.

Thank you for participating in our survey!
