Re: Standard Agreement 08-STBG-4982
90-Day Condition Requirements

Dear Ms. Gonzales,

El Dorado County continues to work with United Outreach, non-profit agency in progressing toward meeting the 90-day conditions as set forth in the Standard Agreement 08-STBG-4982. Although the county and provider have made progress, the project site continues to be a topic of discussion that has yet to be resolved.

The County is respectfully requesting an additional extension of the deadline to clear the conditions set forth in the standard agreement. It is anticipated that the conditions can be met with an additional 90 day extension period; however the county is requesting a 120 day extension to allow for further unforeseen circumstances that could potentially delay meeting the 90-day conditions.

El Dorado County appreciates your consideration of this request and looks forward to receiving your response. Should you have any questions or require additional information please contact Joyce Aldrich at (530) 642-7276.

Sincerely,

Doug Nowka
Director
