Proposal to install 2 Clipper Creek car chargers, double headers and one 80amp Clipper Creek high speed car charger to be used in conjunction with adapter provided by Tesla for car charging.

Carnahan Electric Ltd. will provide the following equipment, material and labor to fully install charging stations in location pre-determined by customer. All trenching to be done by others: (No permit)

1. One Clipper Creek CS 80 high speed 80 amp charger to be adaptable to Tesla car charging by equipment provided to Tesla car owners by Tesla. This charger is the fastest Clipper Creek has available and is not being represented to perform at the 480v Tesla charging level. The Tesla 480v, 3phase installation is not available at this location.
2. One Clipper Creek pedestal for CS 80 high speed charger.
3. One Clipper Creek CS40/w pedestal, dual head.
4. All other ancillary material, parts and electrical equipment necessary for complete installation, except trenching.

Total price, including material, tax and labor: \$14,227.13

To accept this proposal, please sign and include a 60% deposit.
