The requested funds will go to the Raise the Roof fund in support of replacing the roof on the Historic Cool Hall, a community Hall in Cool Ca serving the Divide and El Dorado Residents for over 70 years. The roof is over 65 years old and is leaking. This is starting to cause structural damage as well as damage to the inside of the hall.

2. How will the event/project support or produce a public benefit to El Dorado County?

The Raise the Roof Project will preserve and enhance the Historic Cool Hall to continue service to the community in the form of a public meeting venue, source of entertainment, a place for youth groups to meet and a rental hall for weddings, baby showers and memorials.
