**AGREEMENT FOR SERVICES #4044**

**THIS AGREEMENT**, made and entered into by and between the County of El Dorado, a political subdivision of the State of California (hereinafter referred to as "County"), and Platinum Advisors, LLC, a limited liability company duly qualified to conduct business in the State of California, whose principal place of business is 1215 K Street, Suite 1150, Sacramento, California 95814, (hereinafter referred to as "Consultant");

## **R E C I T A L S**

**WHEREAS**, County has determined that it is necessary to obtain a consultant to assist its Planning and Building Department, Long Range Planning Division, with lobbying and consulting services to achieve funding and policy goals for the Lake Tahoe Basin;

**WHEREAS**, Consultant has represented to County that it is specially trained, experienced, expert, and competent to perform the special services required hereunder, and County has determined to rely upon such representations;

**WHEREAS**, it is the intent of the parties hereto that such services be in conformity with all applicable state and local laws;

**WHEREAS**, County has determined that the provision of such services provided by Consultant are in the public's best interest, and that these services are more economically and feasibly performed by outside independent Consultants as well as authorized by El Dorado County Charter, Section 210(b)(6) and/or Government Code Section 31000;

**NOW, THEREFORE**, County and Consultant mutually agree as follows:

### **ARTICLE I**

**Scope of Services:** Consultant agrees to furnish personnel, equipment, and services necessary to perform lobbying and consulting services. Services shall include, but not be limited to, those tasks as identified in Exhibit A, marked "Scope of Services," incorporated herein and made by reference a part hereof.

If a submittal or deliverable is required to be an electronic file, Consultant shall produce the file using Microsoft (MS) Office 2010 applications (specifically, MS Word, MS Project, and MS Excel). Signed reports shall be submitted in Adobe portable document format (PDF). All deliverables shall be submitted in language, format, and design that are compatible with and completely transferable to County's computer and that are acceptable to County's Contract Administrator. Newer versions of software may be

used and other types of software used for analytical purposes may be authorized if approved in advance of the submittal by County's Contract Administrator. Consultant shall submit all deliverables to County's Contract Administrator. Failure to submit the required deliverables in the format required shall be grounds for termination of the Agreement, as provided in ARTICLE XIII, Default, Termination, and Cancellation, herein.

All of the services included in this Article and Exhibit A are the responsibility of Consultant, unless specifically described as a task or item of work to be provided by County.

## **ARTICLE II**

**Term:** This Agreement shall become effective upon final execution by both parties hereto, and shall expire on June 10, 2022.

## **ARTICLE III**

**Compensation for Services:** For services provided herein, including any deliverables that may be identified herein, County agrees to pay Consultant in arrears. Payment shall be made within forty-five (45) days following County's receipt and approval of itemized invoices identifying the services rendered.

Consultant shall submit one (1) itemized invoice to County for services each month. For the purposes hereof, the monthly billing rate and total amount payable for each invoice shall be \$1,000. The total amount of this Agreement shall not exceed \$36,000, inclusive of all expenses.

Itemized invoices shall follow the format specified by County and shall reference this Agreement number on their faces. Consultant shall attach copies of any progress reports required under the provisions of ARTICLE IV, Progress Reports, herein, that relate to the services being billed, as backup documentation to any invoices submitted for payment under the terms of this Agreement. Copies of documentation attached to invoices shall reflect Consultant's charges for the specific services billed on those invoices. Invoices shall be mailed to County at the following address:

County of El Dorado  
Planning and Building Department  
Long Range Planning Division  
2850 Fairlane Court  
Placerville, California 95667  
Attn.: Cindy Johnson  
Administrative Technician

or to such other location as County directs.

In the event that Consultant fails to deliver, in the format specified, the deliverables and progress reports required by this Agreement, County at its sole option may delay the payment for the period of time of the delay, cease all payments until such time as the

required deliverables or progress reports are received, or proceed as set forth below in ARTICLE XIII, Default, Termination, and Cancellation, herein.

#### **ARTICLE IV**

**Progress Reports:** Consultant shall submit written progress reports to County's Contract Administrator at intervals that are commensurate with the requirements of the tasks being performed and based upon a mutually agreeable schedule. At a minimum, Consultant shall submit progress reports once per month. The reports shall be sufficiently detailed for County's Contract Administrator to determine if Consultant is performing to expectations and is on schedule, to provide communication of interim findings, and to afford occasions for airing difficulties or special circumstances encountered so that remedies can be developed. County's review of these reports will ensure that Consultant's work meets a level of acceptability as determined by County's Contract Administrator, and Consultant shall be required to modify its work as necessary to meet that level of acceptability as defined by County's Contract Administrator. Progress reports shall include the total number of hours worked by Consultant and any authorized subconsultants, if applicable, and shall include descriptions of the tasks and work performed, including a description of any deliverables submitted during the reporting period and the anticipated tasks, work, and deliverables proposed for the subsequent reporting period. Any invoices submitted by Consultant for payment under the terms of this Agreement shall include copies of the progress reports that relate to the services being billed on those invoices.

#### **ARTICLE V**

**Taxes:** Consultant certifies that as of today's date, it is not in default on any unsecured property taxes or other taxes or fees owed by Consultant to County. Consultant agrees that it shall not default on any obligations to County during the term of this Agreement.

#### **ARTICLE VI**

**Changes to Agreement:** This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

#### **ARTICLE VII**

**Consultant to County:** It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further agreed that in all matters pertaining to this Agreement, Consultant shall act as Consultant only to County and shall not act as Consultant to any other individual or entity affected by this Agreement nor provide information in any manner to any party outside of this Agreement that would conflict with Consultant's responsibilities to County during the term hereof.

#### **ARTICLE VIII**

**Confidentiality:** Consultant shall maintain the confidentiality and privileged nature of all records, including billing records, together with any knowledge therein acquired, in accordance with all applicable state and federal laws and regulations, as they may now exist or may hereafter be amended or changed. Consultant, and all Consultant's staff,

employees, and representatives, shall not use or disclose, directly or indirectly at any time, any said confidential information, other than to County's Planning and Building Department, Long Range Planning Division, for the purpose of, and in the performance of, this Agreement. This confidentiality provision shall survive after the expiration or earlier termination of this Agreement.

#### **ARTICLE IX**

**Assignment and Delegation:** Consultant is engaged by County for its unique qualifications and skills as well as those of its personnel. Consultant shall not subcontract, delegate, or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

#### **ARTICLE X**

**Independent Contractor/Liability:** Consultant is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by the terms of this Agreement. Consultant exclusively assumes responsibility for acts of its employees, associates, and subcontractors, if any are authorized herein, as they relate to services to be provided under this Agreement during the course and scope of their employment.

Consultant shall be responsible for performing the work under this Agreement in a safe, professional, skillful, and workmanlike manner and shall be liable for its own negligence and negligent acts of its employees. County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Consultant or its employees.

#### **ARTICLE XI**

**Fiscal Considerations:** The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment, or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products, or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

## **ARTICLE XII**

**Audit by California State Auditor:** Consultant acknowledges that if total compensation under this Agreement is greater than \$10,000.00, this Agreement is subject to examination and audit by the California State Auditor for a period of three (3) years, or for any longer period required by law, after final payment under this Agreement, pursuant to California Government Code § 8546.7. In order to facilitate these potential examinations and audits, Consultant shall maintain, for a period of at least three (3) years, or for any longer period required by law, after final payment under the Agreement, all books, records, and documentation necessary to demonstrate performance under the Agreement.

## **ARTICLE XIII**

### **Default, Termination, and Cancellation:**

- A. **Default:** Upon the occurrence of any default of the provisions of this Agreement, a party shall give written notice of said default to the party in default (notice). If the party in default does not cure the default within ten (10) days of the date of notice (Time to Cure), then such party shall be in default. The Time to Cure may be extended at the discretion of the party giving notice. Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the Time to Cure has expired. In the event of termination for default, County reserves the right to take over and complete the work by contract or by any other means.

- B. **Bankruptcy:** This Agreement, at the option of County, shall be terminable in the case of bankruptcy, voluntary or involuntary, or insolvency of Consultant.
- C. **Ceasing Performance:** County may terminate this Agreement in the event Consultant ceases to operate as a business or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. **Termination or Cancellation without Cause:** County may terminate this Agreement in whole or in part upon seven (7) calendar days' written notice by County without cause. If such prior termination is effected, County will pay for satisfactory services rendered prior to the effective dates, as set forth in the Notice of Termination provided to Consultant, and for such other services which County may agree to in writing as necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the Agreement. Upon receipt of a Notice of Termination, Consultant shall promptly

discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise.

**ARTICLE XIV**

**Notice to Parties:** All notices to be given by the parties hereto shall be in writing and served by depositing same in the United States Post Office, postage prepaid and return receipt requested. Notices to County shall be in duplicate and addressed as follows:

**ARTICLE XV**

**Change of Address:** In the event of a change in address for Consultant's principal place of business, Consultant's Agent for Service of Process, or Notices to Consultant, Consultant shall notify County in writing as provided in ARTICLE XIV, Notice to Parties. Said notice shall become part of this Agreement upon acknowledgment in writing by County's Contract Administrator, and no further amendment of the Agreement shall be necessary provided that such change of address does not conflict with any other provisions of this Agreement.

**ARTICLE XVI**

**Indemnity:** Consultant shall defend, indemnify, and hold County and its officers, agents, employees, and representatives harmless against and from any and all claims, suits, losses, damages, and liability for damages of every name, kind, and description, including attorneys' fees and costs incurred, brought for, or on account of, injuries to, or death of, any person, including but not limited to workers, County employees, and the

public, or damage to property, or any economic or consequential losses, which are claimed to, or in any way arise out of, or are connected with Consultant's services, operations, or performance hereunder, regardless of the existence or degree of fault or negligence on the part of County, Consultant, subcontractor(s), and employee(s) of any of these, except for the sole or active negligence of County, its officers, agents, employees, and representatives, or as expressly prescribed by statute. This duty of Consultant to indemnify and save County harmless includes the duties to defend set forth in California Civil Code Section 2778.

## **ARTICLE XVII**

**Insurance:** Consultant shall provide proof of a policy of insurance satisfactory to County's Risk Management Division and documentation evidencing that Consultant maintains insurance that meets the following requirements:

- A. Full Workers' Compensation and Employers' Liability Insurance covering all employees of Consultant as required by law in the State of California.
- B. Commercial General Liability Insurance of not less than \$1,000,000 combined single limit per occurrence for bodily injury and property damage and a \$2,000,000 aggregate limit.

- E. Consultant shall furnish a certificate of insurance satisfactory to County's Risk Management Division as evidence that the insurance required above is being maintained.
- F. The insurance will be issued by an insurance company acceptable to County's Risk Management Division or be provided through partial or total self-insurance likewise acceptable to the Risk Management Division.
- G. Consultant agrees that the insurance required herein shall be in effect at all times during the term of this Agreement. In the event said insurance coverage expires at any time or times during the term of this Agreement, Consultant agrees to provide at least thirty (30) days prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of term of the Agreement, or for a period of not less than one (1) year. New certificates of insurance are subject to the approval of Risk Management and Consultant agrees that no work or services shall be performed prior to the giving of such approval. In the event Consultant fails to keep in effect at all times insurance

coverage as herein provided, County may, in addition to any other remedies it may have, terminate this Agreement upon the occurrence of such event.

- H. The certificate of insurance must include the following provisions stating that:
  - 1. The insurer will not cancel the insured's coverage without prior written notice to County; and
  - 2. The County of El Dorado, its officers, officials, employees, and volunteers are included as additional insured, on an additional insured endorsement, but only insofar as the operations under this Agreement are concerned. This provision shall apply to the general liability policy.
- I. Consultant's insurance coverage shall be primary insurance as respects County, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by County, its officers, officials, employees, or volunteers shall be in excess of Consultant's insurance and shall not contribute with it.
- J. Any deductibles or self-insured retentions must be declared to and approved by County. At the option of County, either: The insurer shall reduce or eliminate such deductibles or self-insured retentions as respects County, its officers, officials, employees, and volunteers; or Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration, and defense expenses.
- K. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to County, its officers, officials, employees, or volunteers.
- L. The insurance companies shall have no recourse against the County of El Dorado, its officers, and employees or any of them for payment of any premiums or assessments under any policy issued by any insurance company.
- M. Consultant's obligations shall not be limited by the foregoing insurance requirements and shall survive the expiration of this Agreement.
- N. In the event Consultant cannot provide an occurrence policy, Consultant shall provide insurance covering claims made as a result of performance of this Agreement for not less than three (3) years following completion of performance of this Agreement.
- O. The certificate of insurance shall meet such additional standards as may be determined by the contracting County department, either independently or in consultation with County's Risk Management Division as essential for protection of County.

## **ARTICLE XVIII**

**Interest of Public Official:** No official or employee of County who exercises any functions or responsibilities in review or approval of services to be provided by Consultant under this Agreement shall participate in or attempt to influence any decision relating to this Agreement which affects personal interest or interest of any corporation, partnership, or association in which he/she is directly or indirectly interested; nor shall any such official or employee of County have any interest, direct or indirect, in this Agreement or the proceeds thereof.

## **ARTICLE XIX**

**Interest of Consultant:** Consultant covenants that Consultant presently has no personal interest or financial interest, and shall not acquire same in any manner or degree, in either: 1) any other contract connected with or directly affected by the services to be performed by this Agreement; or, 2) any other entities connected with or directly affected by the services to be performed by this Agreement. Consultant further covenants that in the performance of this Agreement no person having any such interest shall be employed by Consultant.

## **ARTICLE XX**

**Conflict of Interest:** The parties to this Agreement have read and are aware of the provisions of Government Code Section 1090 et seq. and Section 87100 relating to conflict of interest of public officers and employees. Consultant attests that it has no current business or financial relationship with any County employee(s) that would constitute a conflict of interest with provision of services under this Agreement and will not enter into any such business or financial relationship with any such employee(s) during the term of this Agreement. County represents that it is unaware of any financial or economic interest of any public officer or employee of Consultant relating to this Agreement. It is further understood and agreed that if such a financial interest does exist at the inception of this Agreement either party may immediately terminate this Agreement by giving written notice as detailed in ARTICLE XIII, Default, Termination, and Cancellation, herein.

## **ARTICLE XXI**

### **Nondiscrimination:**

- A. County may require Consultant's services on projects involving funding from various state and/or federal agencies, and as a consequence, Consultant shall comply with all applicable nondiscrimination statutes and regulations during the performance of this Agreement including but not limited to the following: Consultant and its employees and representatives shall not unlawfully discriminate against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical handicap, mental disability, medical condition, genetic information, military or veteran status, marital status, age, gender, gender identify, gender expression, sexual orientation, or sex; Consultant shall, unless exempt, comply with the applicable provisions of the Fair Employment and Housing Act (Government Code, Sections 12900 et seq.) and applicable regulations promulgated thereunder (California Code of Regulations,

Title 2, Sections 7285.0 et seq.); the applicable regulations of the Fair Employment and Housing Commission implementing Government Code, Section 12990, set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations incorporated into this Agreement by reference and made a part hereof as if set forth in full; and Title VI of the Civil Rights Act of 1964, as amended. - B. Where applicable, Consultant shall include these nondiscrimination and compliance provisions in any of its agreements that affect or are related to the services performed herein.
- C. Consultant's signature executing this Agreement shall provide any certifications necessary under the federal laws, the laws of the State of California, including but not limited to Government Code Sections 12990 and 8355 and Title 2, California Code of Regulations, Section 8103.

Consultant will be required to submit a Form 590 prior to execution of this Agreement, or County shall withhold seven (7) percent of each payment made to Consultant during the term of this Agreement. This requirement applies to any agreement/contract exceeding \$1,500.

#### **ARTICLE XXIII**

**County Payee Data Record Form:** All independent contractors or corporations providing services to County who do not have a Department of the Treasury Internal Revenue Service Form W-9 (Form W-9) on file with County must file a County Payee Data Record Form with County.

#### **ARTICLE XXIV**

**Business License:** County's Business License Ordinance provides that it is unlawful for any person to furnish supplies or services, or transact any kind of business in the unincorporated territory of El Dorado County without possessing a County business license unless exempt under County Ordinance Code Section 5.08.070. ### **Scope of Services**

#### **Representing the California Tahoe Alliance**

Beginning with the design of the annual legislative package through its implementation, Consultant shall work directly with California Tahoe Alliance's (CTA) staff as directed on implementing the objectives herein:

- Establish a presence on behalf of CTA with targeted state and legislative leaders;
- Build relationships by educating the Governor's Administration on CTA's mission and goals;
- Cultivate new Tahoe champions and arrange meetings with the CTA as needed;
- Through the state budget process, support the allocation of funding for a broad range of environmental, restoration, and water quality and supply projects, while also supporting programs and agencies that implement projects in the Lake Tahoe Environmental Improvement Program (EIP);
- Support efforts to pass resource bonds which provide funding for programs and agencies that can fund EIP projects;
- Support initiatives to maximize the amount of funding available from a variety of different funding programs including but not limited to: Greenhouse Gas Reduction Fund (cap and trade funds), Propositions, and the Parks Bond for projects in the Lake Tahoe Basin;
- Support changes to funding requirements for "disadvantaged communities" that would allow the communities of the Lake Tahoe Basin to better compete for funding;
- Support efforts to secure state funding for community firefighting infrastructure improvements;
- Support legislative activities and identify key legislators to champion policies that provide new tools and resources to help strengthen the prospects for environmental redevelopment in the Tahoe Basin;
- Represent the interests on behalf of the CTA when relevant;

- Advocate on public water and sewer issues relevant to rural and mountain communities;
- Work with CTA to define and prioritize CTA's legislative and state administrative needs, and develop an advocacy strategy that responds successfully to those needs;
- Initiate introductory meetings and develop relationships for CTA with the Governor and his senior staff;
- Initiate introductory meetings and develop relationships for CTA with Legislative Leadership, key committee Members, and targeted staff;
- Initiate introductory meetings and develop relationships for CTA with key state agencies and departments, such as the Natural Resources Agency, California State Transportation Agency (CalSTA), and California Air Resources Board (CARB);
- Help design and implement CTA's legislative program by providing up-to-date information on issues, legislation, budget problems and information relevant to issues from a vast array of state legislative and administrative sources;
- Provide regular Capitol updates on the status of legislation important to CTA. Consultant shall also provide timely alerts when imminent legislative or administrative action affects CTA.
- Testify at legislative and budget hearings on issues in the event CTA takes an interest and formal position;
- Keep legislators and key staff informed through correspondence, personal contact, staff contact, and other means in advocating for the interests of CTA;
- Participate in strategy meetings on policy and budget issues with leadership staff in both legislative Houses and both parties to further CTA's legislative and regulatory goals;

Consultant's advocacy responsibilities do not end with the governor's signature. Many statutory changes, and in particular funding programs, require the development of guidelines or regulations. While the legislative process has end points, this administrative process never sleeps. Consultant shall be a constant presence at workshops and public hearings held by the Air Resources Board, Energy Commission, Transportation Commission, CalSTA, Resources Agency, and numerous other agencies where decisions are made. This also extends to the boards and commissions overseen by other constitutional offices, such as the State Treasurer and the Board of Equalization.

## **Consultant's Ability to Advocate on behalf of CTA**

Consultant shall create various paths to increase knowledge, positive impressions, and success factors for the CTA. Consultant shall educate government leaders about CTA to achieve the objectives outlined herein.

Consultant shall conduct a series of introductory and educational meetings with key categories of stakeholders:

- **The Governor's Administration and Key Regulators**  
Consultant shall secure relationship-building meetings with the Governor and key appointees on behalf of CTA.
- **The CTA Legislative Delegation**  
Consultant shall work with CTA to identify and engage legislative members and build a "delegation" beyond the boundaries of the Tahoe Basin.
- **Legislative Leaders in Transportation, Resources and Local Government**  
CTA shall provide a collaborative process to educate legislators how intertwined forest health, transportation, and water/wastewater infrastructure are connected to protecting the Lake. The economic value as a tourist destination further compounds the infrastructure investment needs because the infrastructure must support a weekend population that far exceeds the basin's year-around residents.
