Re: Item #58 on 12/8/09 – 2010 BOS Calendar

First, in 2009 we had 39 meetings and now 2010 is proposed for 37 meetings???

A. Should not miss more than two meetings in a row.

Meeting of 12-08-09 is result of missing 3 Tuesdays in a row; unfair to public and to staff!!

Proposed calendar shows :

12-16-09 to 1-12-10	miss three meetings
11-10-10 to 12-07-10	" " "
12-15-10 to 01-11-11	" " "

B. Should schedule some workshops now so they will be available; can cancel if not needed.

C. Even though some Mondays are holidays we could meet on those Tuesdays as the issue is not the agenda preparation for those Mondays.
