Dear Charlene,

I'm writing to add my public comment to today's Planning Commission meeting regarding the Diamond Village Apartments Project. I fully support staff's opinion that this is a "by right" project per SB 35. In addition, people in our County need housing.

In January a key employer in El Dorado Hills described losing skilled recruits to other states because they couldn't find decent housing here. Another employer of staff to care for home bound individuals finds his staff can't find local housing, meaning sometimes there aren't enough workers to care for the elderly in our County.

Let's do the right thing for people in this County and support local homes like the Diamond Village Apartments.

Thank you,
